

We are writing on behalf of the Huntington Beach High School Wrestling Team Boosters. Our team has undergone a transformation like no other in the last four years. It's grown through the tireless efforts of our coaches, wrestlers, parents and HBHS staff. We'd like to share a few of the notable accomplishments that we're proud of:

- Coach of the year to Johnny Morgan 2017-2018
- First Girls team in the over 100 year history of the High School
- Several League Champions across many weight classes
- Wrestlers reached the CIF Championships and some placed in the state tournament
- A robust and thriving Booster Club and parent involvement

Beyond the tangible success; the kids build self-esteem, confidence and are continually challenging themselves to be better scholar athletes.

Given the growth and success of our program we are ramping up our efforts to connect with the community and ask for your support. We are not for profit 501c(3) organization and any kind of donation helps. We are looking for donations to help purchase a few critical items: Practice Mats and Equipment, TV's for our wrestling room and general administrative expenses such as tournament registration and financial assistance for those few wrestlers that cannot afford it.

A second option would be to donate your products, services or discounts from your business. Each season we hold a banquet where we hold a silent auction for these items.

I hope we can count on you to help support our efforts and honestly anything helps! In return your business will be recognized at each meet and home tournament across the PA system, additionally a banner ad on our website and social media. Come see what your support means to us, our meets are held in January, let us know and we can get you our full schedule.

Please feel free to contact me by replying to this email or sending your support to the address below, checks may be made out to HBHS Wrestling Boosters.

Thanks in advance,

HBHS Wrestling Booster Club, Dan Doering, Fundraising Chair HBHS
